# About College

The Royal College of Pharmacy, run by the Combined Academy of Technical Education, is a unique centre for high-quality pharmaceutical education with more than two decades of outstanding education in pharmacy at all levels. The college is situated in the heart of Raipur, Chhattisgarh; behind Pt. Ravishankar Shukla University Campus Dumar Talab (Mahoba Bazar). There is only one college that is exclusively focused on pharmacy education. The college currently offers Ph.D., M. Pharmacy, B. Pharmacy, and D. Pharmacy degrees in pharmacy.

The college campus has many amenities, including a smart class room, subject specific lab, a pilot plant, a separate computer lab, a central library, a central instrument lab, and a seminar hall.

## Our Vision

To establish ourselves as a nationally renowned brand in pharmaceutical science education and research for the benefit of our country's citizens and to actively contribute to the expansion of the pharmaceutical sector.

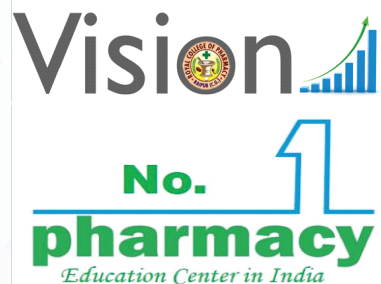

## Our Mission

To create highly qualified individuals who are attentive to the constantly shifting demands of the industry, community, profession, and nation.

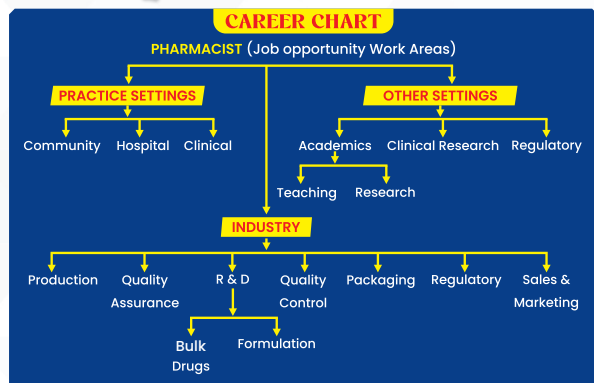

To foster an environment of continuous development and higher learning in order to meet expectations in terms of social, professional, and economical aspects of life.

To encourage entrepreneurship, research, and innovation in order to overcome obstacles and create a cooperative atmosphere.

To develop our students into excellent service providers by instilling in them strong morals, professional, and ethical principles.
